Donations to Missouri School for the Blind

Missouri School for the Blind welcomes donations, both monetary and goods and services. Donations are tax-deductible. Checks should be made payable to “Missouri School for the Blind” and sent to the attention of the MSB Superintendent. Donations can be made to the school to be used at its discretion, or can be directed to a particular program or activity. Financial donations of \$3,000 or more are forwarded to the Blind Trust Fund for the school’s use.

The donor will receive a personal thank you letter from the Superintendent, which can be used for income tax purposes. Please complete this form for tax purposes, as well as to ensure that proper acknowledgement is received. The value of goods and services is determined by the donor.

For more information on any of these programs, contact MSB’s Community Relations Office, 314-776-4320, ext. 135, or email: bbeal@msb.k12.mo.us.
