

Determining AT Needs of Students with Visual Impairment

Hosted by Outreach Services, Missouri School for the Blind

Presented by Ike Presley, TVI, CLVT, from American Foundation for the Blind

Mr. Presley will be presenting information about conducting assistive technology assessments with students with visual impairment. This workshop will give an overview of Assistive Technology (AT) for students with visual impairment, provide information on how to prepare for and conduct assessments, and finally, the steps to implementation and integration of AT into the curriculum. Participants will be expected to conduct one assessment after the September dates to be submitted as a Word document before or on March 11, 2016, for Mr. Presley's review and possible use during the April 21 workshop. (Mr. Presley will not be giving individual feedback on reports and any portion of a report shared at the final workshop will be done so anonymously.)

Date: September 15 & 16, 2015, and April 21, 2016

Time: 8:30 a.m. - 4:00 p.m. (Lunch on your own from 11:45 a.m. - 1:00 p.m.)
