### **BELIEFS:**

#### **At MSB we believe...**

- Student success is our first and foremost responsibility.
- High expectations and collaboration between staff, students, families, and stakeholders are critical to student success.
- Every student deserves a safe and supportive learning and living environment in which they will be treated with dignity and respect.
- Every student has unique needs, interests, and abilities which will be addressed through their individualized education plan and a variety of rigorous course offerings and extracurricular activities.
- Beginning at age 14 every student will be provided the opportunity to participate in transition skills to prepare them for future success.
- Statewide interagency collaboration and sharing are beneficial to everyone providing services to students who are visually impaired and their families.
